Thrivalaska Head Start Birth to Five
Parental Consent Form – Non-Medical

Child's Printed Name: _____

I give permission for my child to be in a **class photo** or photo of classroom and field trip activities that may be given to other program children, families, or staff. ☐ **YES** ☐ **NO**

I give permission to Thrivalaska Head Start Birth to Five to utilize photographs of my child and family for use in publication materials including, but not limited to newsletters, brochures, flyers and displays in the program, classroom or community. ☐ **YES** ☐ **NO**

I give permission for my child and family's picture to be used in electronic media including, but not limited to program web site and news media. ☐ **YES** ☐ **NO**

I give permission for my **telephone number** to be given other program parents to inform me of events. ☐ **YES** ☐ **NO**

I give permission for my **address** to be given other program parents to inform me of events. ☐ **YES** ☐ **NO**

I give permission for my **child to attend field trips** and any other authorized activities as planned by the classroom staff. I also understand that parents/guardians will be notified of all field trips including the date, time, and destination before each trip. ☐ **YES** ☐ **NO**

Child and Family Wellness Consultation Services: ☐ **YES** ☐ **NO**
I give permission for my child to be observed by the Child and Family Wellness Consultant. This observation is used to assess classroom needs or the needs of my child. This will support your child's competency in all stages of development.

The following screenings will be conducted by a qualified specialist or Staff.
I give permission for the following:

Dial 4: Screening of language, physical and concept development conducted within the first 45 days of enrollment. This screening takes about 30 minutes and is done by one of the education staff members. This screening is simply a snapshot of a child's development that may identify if there is a potential delay. If a potential delay is identified we may suggest having further evaluation scheduled. ☐ **YES** ☐ **NO**

DECA (Devereux):Social/Emotional Screening conducted within the first 45 days. of enrollment The questionnaire takes just a few moments to complete. ☐ **YES** ☐ **NO**
The DECA is a questionnaire completed by the parents and the teacher that looks at 3 protective factors initiative, attachment, and self-control. These protective factors can help children cope with stress and help to have more successful lives. The results are summarized and are used to plan strategies to encourage children's social and emotional strengths in the classroom and at home.

I understand my signature grants permission for the time my child is enrolled unless otherwise updated below.
